

ABBela's Iconic Gathering

ABBela is a family-run studio where a passion for porcelain meets the warmth of home. We want this unique atmosphere to accompany you as well through the presence of our porcelain in your home or office. **Our pieces are more than art - they're invitations to join a community of people who cherish beauty, creativity, and meaningful moments. Each year, we host ABBela's Iconic Gatherings, exclusive events for ABBela Icon (Bull, Lion or Horse) owners. These are unforgettable experiences filled with inspiration, connection, and joy.**
