

BULL MARKET ICONS

Inspired by the market bull run, each of our hand-painted porcelain sculptures symbolizes determination, commitment, resilience, growth, and success.

It is the perfect piece for traders, investors, and visionaries.

Whether displayed as a symbolic icon in your home or office, or given as a meaningful gift, these porcelain bulls embody the true spirit of the bull run.

ABBela
HAND PAINTED PORCELAIN

ABOUT US

ABBela is a family-run art atelier with a multi-generational tradition. We create hand-painted porcelain art, specializing in bespoke luxury tableware and sculptural designs.

Each of our patterns is entirely unique, representing an independent icon of the distinctive ABBela style.

Our patterns are painted using the highest quality materials such as certified gold, platinum, copper, and premium lusters sourced from reputable suppliers, ensuring vibrant colors and lasting craftsmanship. The porcelain we paint on comes from the best manufacturers worldwide.

THE PERFECT GIFT

Hand-painted ABBela porcelain is more than a beautiful object; it is a keepsake infused with emotion, history, and personal meaning. **We offer full personalization, including custom color selection, bespoke patterns, preferred stock or crypto symbols, and handwritten dedications.**
